§ 248.221 Approval of a plan of action that involves termination of low income affordability restrictions.

The Commissioner may approve a plan of action that involves termination of the low income affordability restrictions only upon a written finding that—

- (a) Implementation of the plan of action will not materially increase economic hardship for current tenants (and will not in any event result in: (1) A monthly rental payment by a current tenant that exceeds 30 percent of the monthly adjusted income of the tenant or an increase in the monthly rental payment in any year that exceeds 10 percent, whichever is lower, or (2) in the case of a current tenant who already pays more than such percentage, an increase in the monthly rental payment in any year that exceeds the increase in the Consumer Price Index or 10 percent, whichever is lower) or involuntarily displace current tenants (except for good cause) where comparable and affordable housing is not readily available, determined without regard to the availability of Federal housing assistance that would address any such hardship or involuntary displacement. Notwithstanding this limitation, the Commissioner may provide housing assistance to tenants if such assistance is not essential to the Commissioner's determination that the requirements of this paragraph have been met. The owner will agree to execute and allow the recordation of use agreements, where such agreements are necessary to safeguard current tenants against such adverse effects. Such use agreements will include a requirement that the owner comply with those provisions of part 247 of this chapter which relate to evictions: and

that the prepayment will not materially affect—

- (i) The availability of decent, safe and sanitary housing affordable to lowincome and very low income families in the area that the housing could reasonably be expected to serve;
- (ii) The ability of low-income and very low income families to find decent, safe and sanitary housing near employment opportunities; or

(iii) The housing opportunities of minorities in the community within which the housing is located; or

- (2) The plan of action has been approved by the appropriate State agency and any appropriate local government agency for the jurisdiction in which the housing is located as being in accordance with a State strategy approved by the Commissioner under §248.223 of this part.

- (d) Any plan of action approved under this section shall specify actions that the Commissioner and the owner shall take to ensure that tenants displaced as a result of the termination of low income affordability restrictions are relocated to affordable housing.
